

GOOD NEWS STORY

BEN TYRER

BACKGROUND

Ben was someone who come from the Job Centre. He always had a passion for doing something in Security because his older brother has been in that industry for a while and Ben always looked up to his older brother.

However, Ben always struggled with self confidence and working with others and he knew this would be key for him to gain his badge and work in the same industry as his brother.

FREE2LEARN JOURNEY

He was referred to the SIA course Free 2 Learn had to offer and he attended every day taking part in all the sessions giving 100%. He successfully completed the course passing all his exams and he then attended the interview with Mitie who had security roles in Sainsburys across the Doncaster area which was set up by Free 2 Learn.

He has since successfully passed the interview and is now going through the background checks for his new job with a start date imminent.

LEARNER TESTIMONIAL

'I'd like to give a huge thank you to Free2Learn, I got recommended by the job centre and they taught me very valuable information and helped me pass all my exams. I couldn't have asked for better resources or people to help me get through. They helped me get a job at Mitie Security and have got me into an industry that I love.'
